Description

This qualification provides an exposure to work in the community services industry. This is a pathway qualification that may lead to a VET in Schools qualification, career clarification and greater participation of equity groups. It may also serve as a basis for workplace entry training for people with a disability seeking employment in business service or open employment.

**Core units**

BSBCMM101A Apply basic communication skills  
CHCCS211B Prepare for work in the community sector

**Group A WHS electives - one unit must be selected**

One occupational health and safety unit **must** be selected as preparation for entering work.  
One of the following units or another unit that provides equivalent skills and knowledge may be selected in line with the Packaging Rules.  
CHCWHS312A Follow WHS safety procedures for direct care work  
HLTWHSS200A Participate in WHS processes  
HLTWHSS300A Contribute to WHS processes

**The importance of culturally aware and respectful practice**

All workers undertaking work in community services need foundation knowledge to inform their work with Indigenous clients and co-workers and with clients and co-workers from culturally and linguistically diverse backgrounds. This foundation must be provided and assessed as part of a holistic approach to delivery and assessment of this qualification.  
Specific guidelines for assessment of this aspect of competency are provided in the Assessment Guidelines for the Community Services Training Package.

Description

This qualification covers people working in a volunteer capacity and includes foundation skills required by all volunteers to enable them to effectively undertake their volunteer work using basic practical skills required for the job. These foundation skills cover being an effective volunteer, organising their own work routine efficiently and performing a sequence of routine tasks, given clear directions, understanding and following the organisation's occupational health, safety and welfare procedures thus engaging in safe work practices and interacting appropriately with clients, including receiving and passing on messages and information.

Description

This qualification may be used as a pathway qualification into community services work and may apply specifically to:

- Workers who support individuals by providing a first point of contact in a crisis situation and referral to a broad range of services, or
- Workers in residential facilities and/or in community services under direct or regular supervision within clearly defined organisation guidelines and service plans.

Workers at this level:

- May provide assistance and support to clients accessing a service or experiencing issues such as alcohol and/or other drug issues
- Assist people in meeting their immediate needs e.g. by providing shelter and food
- Provide short-term contact with clients in a crisis situation during which time they establish a helping relationship to define the crisis and provide referral information where appropriate
- May provide ancillary services such as catering, cleaning, laundry, gardening and home maintenance
- Report directly to a supervisor and are not responsible for other workers.

These positions may have direct contact with clients, identify presenting needs and refer to appropriate services and support.

This qualification may provide an appropriate pathway into higher level qualifications, such as those in aged care, disability and home and community care.

Occupational titles may include:

- Assistant community services workers
- Care service employee
- Contact officers
- Customer service staff
- Domestic assistant
- Gardener/grounds person
- Home helper
- Housekeeping assistant
- Laundry assistant
- Night/community patrol workers
- Personal care assistant
- Provision of emergency relief
- Reception/front desk staff
- Support worker

Description

This qualification covers people working in a volunteer capacity and builds on the foundation skills required by all volunteers, to deliver competency outcomes including:

- Undertaking administrative tasks that involve basic operational knowledge, accessing and recording information and making choices between a limited range of options relevant to the job
- Acquiring strategies that will assist them as volunteers to communicate more effectively with clients and be able to apply known solutions to a limited range of predictable problems
- Engaging in safe work practices, and applying basic operational knowledge in a moderate range of areas relevant to the job
- Developing a defined range of skills that will assist them as volunteers to work effectively with colleagues (paid and volunteer) and take limited responsibility for their work output and learning.
